বাণী

সুদূর অতীতের উষালগ্ন থেকে মানব সভ্যতা প্রগতির পথে আজ একুশ শতকে নতুন ধারণা নিয়ে আবির্ভূত হয়েছে। সভ্যতার এই দুঃসাহসিক অভিযানে মানব সম্পদ উন্নয়ন প্রক্রিয়া ছিল একটি গুরুত্বপূর্ণ হাতিয়ার। একুশ শতকে এসে বিশ্বায়নের ফলে আমরা নয়া বিশ্বব্যবস্থার সন্ধান পেয়েছি। মানব সম্পদ উন্নয়ন প্রক্রিয়ার পাশাপাশি ডিজিটাল ও স্মার্ট প্রযুক্তি এই নয়া বিশ্বব্যবস্থার রূপকার। প্রতিষ্ঠালগ্ন থেকে ড্যাফোডিল পলিটেকনিক ইনস্টিটিউট বিশ্বায়নের এই যুগে কারিগরি শিক্ষার কাঙ্ক্ষিত মান বজায় রাখতে নিরন্তর প্রয়াস অব্যাহত রেখেছে। এরই ধারাবাহিকতায় দেশের মধ্যে পলিটেকনিক অঙ্গনে প্রথমবারের মতো ড্যাফোডিল পলিটেকনিক ইনস্টিটিউট কর্তৃক ডিপ্লোমা গ্রাজুয়েশন অনুষ্ঠিত হতে যাচ্ছে। এটি নিঃসন্দেহে ইনস্টিটিউটের সামগ্রিক অর্জন ও অগ্রযাত্রার একটি মাইলফলক। এই আনন্দ আয়োজনে সকল ডিপ্লোমা গ্রাজুয়েট, তাদের অভিভাবক, সম্মানিত শিক্ষকমণ্ডলী এবং কর্মকর্তা ও কর্মচারী-বৃন্দকে আমার অন্তরের অন্তঃস্থল থেকে সাদর অভিনন্দন ও শুভেচ্ছা জানাই।

সম্মানিত ডিপ্লোমা গ্রাজুয়েটবৃন্দ! আপনাদের এই গ্রাজুয়েশন কঠোর পরিশ্রম এবং জ্ঞানের নিরলস সাধনার সফল বহিঃপ্রকাশ। আপনাদের এই অর্জনগুলোকে এবং ডিপ্লোমা প্রকৌশলী হিসাবে আপনাদের যে বিপুল সম্ভাবনা রয়েছে তা স্বীকৃতি দেয়ার জন্য আজ আমরা একত্রিত হয়েছি। আমি আপনাদের জীবনে এই উল্লেখযোগ্য মাইলফলক প্রত্যক্ষ করে এবং অর্জনগুলো উদযাপন করতে পেরে আনন্দবোধ করছি।

বিশ্বায়নের এই যুগে ডিজিটাল ও স্মার্ট প্রযুক্তি বিশ্বজুড়ে নির্বিঘ্ন যোগাযোগ ব্যবস্থা অক্ষুণ্ন রাখতে গুরুত্বপূর্ণ ভূমিকা পালন করছে। আপনারা পেশাগত জীবনে পা রাখার সাথে সাথে, আমি আপনাদেরকে এই অধিক্ষেত্রের মধ্যে বিস্তৃত অপার সম্ভাবনাসমূহ গ্রহণ করার জন্য আহ্বান করছি। আপনাদের ডিজিটাল দক্ষতা, ব্যবহারিক দক্ষতা ও উদ্ভাবনী মানসিকতা, যোগাযোগ দক্ষতা এবং পরিষেবাগুলির ভবিষ্যত গঠনে সহায়ক হবে। মনে রাখবেন, ডিপ্লোমা ডিগ্রী আপনাদের শিক্ষাগত যাত্রার শেষ নয়, বরং ধারাবাহিক শিক্ষা অর্জনের সূচনামাত্র।

ড্যাফোডিল পলিটেকনিক ইনস্টিটিউট আধুনিক কারিগরি শিক্ষা ও প্রশিক্ষণ এবং দক্ষ জনশক্তি তৈরিতে অপূরণীয় অবদান রাখছে। যা এই ইনস্টিটিউটকে গতানুগতিক ধারার বাহিরের একটি আধুনিক পলিটেকনিক হিসেবে সুপ্রতিষ্ঠিত করেছে।

ইতিহাসের মহানায়ক, সর্বকালের সর্বশ্রেষ্ঠ বাঙালি, জাতির পিতা বঙ্গবন্ধু শেখ মুজিবুর রহমানের স্বপ্নের সোনার বাংলা প্রতিষ্ঠায় তারই সুযোগ্য উত্তরসূরী মাননীয় প্রধানমন্ত্রী শেখ হাসিনা ঘোষিত আগামী ২০৪১ সালের মধ্যে 'স্মার্ট বাংলাদেশ' বিনির্মাণ এবং মুক্তিযুদ্ধের চেতনা ধারণ করে প্রযুক্তি নির্ভর জ্ঞানসমৃদ্ধ অসাম্প্রদায়িক স্বনির্ভর বাংলাদেশ গড়তে আমরা বদ্ধ পরিকর। জাতির পিতার স্বপ্নের সোনার বাংলা বিনির্মাণে ইনস্টিটিউট তাদের এই প্রচেষ্টা অব্যাহত রাখবে বলে আশাবাদ ব্যক্ত করছি।

আমি ড্যাফোডিল পলিটেকনিক ইনস্টিটিউটের প্রথম গ্রাজুয়েশন অনুষ্ঠানের সফলতা কামনা করছি।

জয় বাংলা, জয় বঙ্গবন্ধু বাংলাদেশ চিরজীবী হোক

মোস্তাফা জব্বার

Message from the Executive Chairman, NSDA

জাতীয় দক্ষতা উন্নয়ন কর্তৃপক্ষ বাংলাদেশ
NATIONAL SKILLS DEVELOPMENT AUTHORITY BANGLADESH

It is indeed a pleasure that Daffodil Polytechnic Institute is going to organize Graduation Ceremony 2023. I extend my heartiest greetings to the new diploma graduates of the institutions on the momentous occasion of its First Graduation Ceremony.

Bangladesh envisions to become an upper middle income country by 2031 and a high income one by 2041 and that has become a reality because of the greatest leader of all time Father of the nation Bangabandhu Sheikh Mujibur Rahman and our Honorable Prime Minister Sheikh Hasina. In order to survive in a competitive world and sustain growth momentum, there is no alternative to increasing skilled manpower.

I am glad to know that Daffodil Polytechnic Institute is dedicated to nurturing students to make them skilled in various fields. I commend the faculty and staff for their firm dedication in fostering an intellectually inspiring environment. The support of institution, families and friends are instrumental in the success of students. I expect as they embark on their journey, they will be capable enough to embrace challenges with confidence knowing their skills that will contribute to progress and innovation in our nation. The National Skills Development Authority takes pride in the accomplishments of the institutions and extends best wishes for success in all its future endeavors.

Nasreen Afroz
President
Institute of Diploma Engineers, Bangladesh

Message from the Secretary, BTEB

Delighted that DPI organizes Bangladesh's first Diploma Graduation on July 26, 2023. Congratulations to all graduates, faculty, and organizers. Education key to 2041 vision for a developed, knowledgeable society. Praise for growth in institutions, now focus on higher education quality, especially in private polytechnics. BTEB supports DPI's academic excellence and responsibility. Historic events reflect progress, dedication, and importance of quality education. Best wishes for a grand success!

Md. Abdullah Al Mahmud Zaman
Secretary, BTEB

Message from the IDEB President

Congratulations, graduates of Daffodil Polytechnic Institute! Your outstanding accomplishments during this momentous Graduation Ceremony mark a historic milestone for polytechnics in Bangladesh. Embrace lifelong learning, uphold integrity, and forge industry connections for a bright future. Your technical expertise will undoubtedly create a remarkable impact. Well done!

A K M A Hamid
President
Institution of Diploma Engineers, Bangladesh

Message from the Assistant Resident Representative UNDP, Bangladesh

Dear Graduates,

Congratulations on reaching this significant milestone! I'm ecstatic and honored to be a part of your achievement. The education you received has equipped you with the tools needed to shape the future of society and uplift communities in need. I urge you all to embrace your passion, drive positive change in society, and leave a lasting legacy that future generations can look up to. Always remember that you have the power to make a difference in the lives of others.

As you step into the world, know that challenges may come your way, but they present opportunities for growth and innovation. Embrace these moments and use your knowledge and skills to tackle global challenges. I wish you all the best for a bright future ahead! Your potential is limitless, and I do not doubt that you will positively impact society.

Prasenjit Chakma
Assistant Resident Representative, UNDP Bangladesh.

Message from the Chairman, Daffodil family

The Diploma Graduation Ceremony of Daffodil Polytechnic Institute is a significant milestone for all involved, celebrating remarkable success and innovation. Congratulations to the graduating students, parents, faculty, staff, and management. Despite challenges, the institute embraced digital transformation, introducing SmartEdu Systems, mentoring, virtual internships, and AI-based tracking. Leadership development and industry collaborations are top priorities, ensuring outcome-based education and future readiness. The institution aims to meet the demands of the current and future job markets through research and analytics. Sincere congratulations to all for making this historic Graduation Ceremony possible. May Allah guide us in our endeavors.

Md. Sabur Khan
Chairman, Daffodil Polytechnic Institute
& Daffodil family

Message from the CEO Daffodil Family

At the inaugural Diploma Graduation Ceremony of Daffodil Polytechnic Institute, I extend heartfelt congratulations to our graduates for their dedication and hard work. This milestone marks the beginning of a promising future, supported by the Daffodil Family's core values of innovation and excellence. Your technical education equips you to drive technological advancements and shape industries. We remain committed to your success, offering professional development and industry connections. Gratitude to the faculty and staff for their guidance, and to families for their unwavering support. As part of the Daffodil Family, stay connected, collaborate, and together, create a future beyond expectations. Congratulations, graduates, may your brilliance illuminate the world.

Mohammad Nuruzzaman
CEO, Daffodil Polytechnic Institute
& Daffodil family

Message from the Principal

K M Hassan
Principal, Daffodil Polytechnic Institute

Congratulations to the graduates of Daffodil Polytechnic Institute!

Today, as you step into the next chapter of your lives, we celebrate not only your accomplishments but also the remarkable journey we have undertaken together. Daffodil Polytechnic Institute has evolved into a model of an ideal and modern polytechnic institute, shaping a competent, proficient, and skilled young generation.

The world is rapidly evolving, and industries demand individuals with specialized skills and knowledge to drive innovation and progress. During our journey we tried to prepare you with the skills and knowledge required to excel in this competitive world.

Technical education equipped you with practical skills and expertise that are highly valued by employers worldwide. We paid effort to shape you and groom you with other required qualities, soft skills, hard skills, arts, cross cultural competencies that help you to fit in any environment.

It not only enhances your employability but also enables you to adapt to the ever-changing demands of the workforce. As the job market becomes increasingly competitive, having a strong foundation in technical education sets you apart and opens doors to a myriad of opportunities.

Our dedication to excellence is evident in the impressive statistics:

- Total Departments: 10
- Number of Teachers: 75+
- Internship Placement: 100%
- Percentage of Employment: 88%
- Passing Ratio: 86%
- Higher Study Ratio (Home & Abroad): 95%
- Becoming Entrepreneurs: 10%
- Work-Based Scholarships: 10%
- Female Students participation: 25%
- Technical Skill Provision: 100%

Our features have contributed to this success:

- ONE STUDENT ONE LAPTOP is a program where every student receives laptop after 4th semester to ensure the development intellectuals by collaborating with technology.
- International Office is ensuring international exposure through exchange programs for Students, Teachers & Management Team and Collaboration and Cooperation
- Government Scholarship recipients totaling BDT 54,68,000
- Student & Guardian Life Insurance Facilities for keeping confident about smoothness of their studies.
- Inclusive Learning Cell initiative is to ensure student centric classroom.
- Hostel Facilities for both Male & Female Students
- Entrepreneurship Development Cell helps students soothe entrepreneurial mindset and to develop Techpreneurs.
- Abroad Skill Employment Facility
- Learning Management System (LMS)
- Industry Linkage through the Career Launchpad and the Cell is inviting Industry Leaders to Teach the Students from their Real-Life Experiences, organizing different events life, Project Competition, Job Fest, Cultural Fest, Competition
- Strong IT Unit is managing the total Education Systems through the Smartedu systems

At Daffodil Polytechnic Institute, our mission has always been to provide quality education and nurture your talents. Your success is a testament to our commitment. We are working not only to develop competent human resources, but to develop a model polytechnic institute like other developed countries. Our effort during past years is helping us to create success stories at the National & International Level. We extend our heartfelt gratitude to the Bangladesh Technical Board for excellent support they are providing to us.

As you venture into the world, equipped with knowledge and skills, remember that your journey with us is never-ending. Stay curious, embrace lifelong learning, and continue to make us proud.

Once again, congratulations on your graduation, and we wish you all the best for a bright and successful future!

K M Hassan
Principal, Daffodil Polytechnic Institute

Mashrafe Bin Mortaza
Member of Parliament of Bangladesh

Speech from Graduation Ceremony Speaker

Ladies and gentlemen, Honored guests, Esteemed faculty members, Proud parents, and most importantly, the exceptional graduates of Daffodil Polytechnic Institute, it is with immense pleasure and a deep sense of pride that I address you all on this momentous occasion-the 1st Graduation Ceremony in Bangladesh of Daffodil Polytechnic Institute. Today marks a significant milestone in your lives, and I congratulate each and every one of you on your remarkable achievements.

As graduates, you have demonstrated unwavering commitment, resilience, and an unrelenting pursuit of knowledge throughout your academic journey. Your hard work, sacrifice, and dedication have brought you to this exceptional moment, and it is my privilege to honor your accomplishments.

The commencement of this graduation ceremony serves as a testament to the outstanding education imparted to you at Daffodil Polytechnic Institute. The comprehensive curriculum, focused on developing your technical proficiency, practical knowledge, and ethical principles, has equipped you with the necessary tools to make meaningful contributions towards the advancement and prosperity of our nation.

Remember that graduation is not the end of your educational journey but rather the beginning of a lifelong commitment to continuous learning. Embrace emerging technologies, stay updated with industry trends, and broaden your horizons through ongoing professional development. Your willingness to adapt and grow will enable you to excel in an ever-evolving job market.

Central to your education is a solid bedrock of integrity, professionalism, and ethical behavior. As you venture into your professional endeavors, I urge you to uphold these values with unwavering commitment. Let the principles of ethics steer your actions, and strive to become shining examples of excellence within the engineering community.

As you step into the professional world, remember that you are part of a vibrant network of engineers and professionals. Cultivate strong relationships, foster collaborations, and actively engage in knowledge-sharing initiatives. Stay connected with your alma mater, industry associations, and communities. These connections will provide you with support, mentorship, and opportunities for collective growth.

Your technical skills, combined with your passion and drive, hold the power to shape the future of our nation. Embrace opportunities to contribute to sustainable development, infrastructure projects, and technological advancements. As agents of positive change, you have the potential to leave a lasting impact on our society.

On behalf of the entire nation of Bangladesh, I want to express my sincere congratulations once more. Your accomplishments serve as a testament to your unwavering dedication and unwavering determination. As you embark on this new chapter of your lives, remember to carry the core values instilled in you, uphold the principles of professionalism, and utilize your expertise to actively contribute to the progress of Bangladesh and make a positive impact that extends beyond its borders.

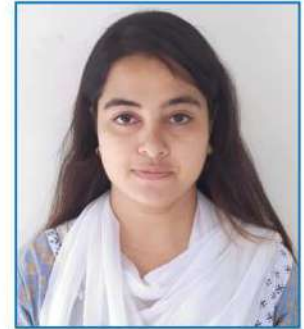

May your careers be fulfilling, your aspirations be realized, and your impact profound. The people of Bangladesh are proud to support you on your journey and celebrate your successes.

Congratulations, diploma graduates! May your futures be filled with prosperity and rewarding endeavors.

Speech of the Merit Student

Assalamu Alaikum and a splendid morning to our esteemed guests, respected faculty members, beloved parents, and my extraordinary fellow graduates. Today is a momentous occasion as we come together to celebrate the 1st Graduation Ceremony of Daffodil Polytechnic Institute. As the valedictorian, I am deeply honored and humbled to stand before you, representing the collective voice of our remarkable graduating class.

First and foremost, I extend my heartfelt congratulations to my exceptional fellow graduates. Today, we stand here as shining examples of perseverance, determination, and hard work. Through countless hours of dedication, late-night study sessions, and the overcoming of numerous challenges, we have arrived at this pivotal point in our lives as diploma engineers, poised to embrace the world with our skills and knowledge.

I must express my sincerest gratitude to the distinguished faculty members of Daffodil Polytechnic Institute. Their unwavering commitment to our education, their relentless pursuit of excellence, and their genuine care for our development have been the cornerstones of our academic journey. They have not only imparted knowledge but also instilled within us the values of integrity, teamwork, and the pursuit of continuous improvement.

As we step into the professional world, let us not forget the invaluable lessons we have learned during our time at Daffodil Polytechnic Institute. The technical skills, problem-solving abilities, and critical thinking nurtured here will serve as the bedrock of our careers. However, the journey of learning does not end here; it is a lifelong pursuit. Let us embrace the spirit of continuous growth, staying open to new ideas, technologies, and approaches to keep ourselves relevant in an ever-changing world.

Today marks the commencement of a new chapter in our lives, one filled with boundless possibilities, challenges, and opportunities. As we embark on this journey, let us do so with fearlessness and unwavering determination. Let us dare to dream big, and let our dreams fuel our actions as we strive to make a meaningful impact in our chosen fields.

As we move forward, let us remember the significance of our roots and the responsibilities we carry towards our society and nation. Let us be proactive in giving back to our communities, using our skills and knowledge to contribute meaningfully to the progress and development of Bangladesh. By doing so, we will leave a lasting legacy that goes beyond personal achievements.

Finally, I would like to express my deepest gratitude to Daffodil Polytechnic Institute for providing us with a holistic education that has prepared us for the challenges ahead. We are proud to be diploma graduates of this esteemed institution and will carry its name with honor and pride.

Congratulations once again to my fellow graduates. May we all continue to strive for excellence, embrace new opportunities, and make a meaningful difference in the world.

Thank you, and may Allah bless us all.

Speech from President of the Alumni Association

Good evening, esteemed faculty members, distinguished guests, and most importantly, the incredible graduates of Daffodil Polytechnic Institute. It is an absolute honor to stand before you as the President of our esteemed Alumni Association on this momentous occasion.

First and foremost, I want to extend my heartfelt congratulations to each and every one of you. Today marks the beginning of a new journey, one filled with possibilities and opportunities. As you step out into the world, remember that you are not alone; you are now part of the ever-growing Daffodil family, connected through our Alumni Association.

Our mission and vision are not mere words on paper; they are the guiding principles that will shape our collective future. As we move forward, I pledge to you, the graduates, that together with my team, we will work relentlessly to fulfill our commitments and enrich Bangladesh for the betterment of our country and the students.

We are committed to nurturing an entrepreneurial spirit among our alumni, inspiring and supporting job creators who will contribute to the growth of our nation's economy.

Education doesn't end with graduation; it's a lifelong journey. We will provide avenues for continuous learning, ensuring that our alumni stay at the cutting edge of their industries.

Our association will be a dynamic platform that fosters collaboration among alumni from diverse backgrounds. With a deep sense of responsibility, we commit to supporting social causes that uplift the less fortunate in our society. We are committed to championing sustainable practices that safeguard our environment and natural resources.

As a global network, we recognize the value of international collaboration. We will actively seek partnerships and opportunities that enhance cross-border exchange of knowledge, ideas, and expertise, enriching our country and its students through a global perspective.*

Dear graduates, as you embark on your journey beyond these walls, remember that you are not just leaving the institute; you are entering a lifelong partnership with the Daffodil Polytechnic Institute Alumni Association. Together, we will work tirelessly to fulfill these commitments and create a brighter future for all. Congratulations once again, and let us embark on this transformative journey together. Thank you.

Speech from Secretary of the Alumni Association

As the Secretary of the Daffodil Polytechnic Institute Alumni Association, I am humbled and honored to be here with you today. This graduation ceremony marks the beginning of a new chapter in your lives, and I stand before you with immense pride and excitement.

Our association's vision and mission are rooted in our unwavering commitment to enriching our institute. Together with the President and our dedicated team, we are committed to creating a lasting impact.

Our commitments:

1. Job Creation and Entrepreneurship: We support aspiring entrepreneurs, providing resources to turn ideas into reality and drive our nation's economy.
2. Empowering Lifelong Learning: Beyond graduation, we offer workshops and seminars to equip alumni with the skills they need in a changing job market.
3. Networking for Collaborative Impact: Our vibrant ecosystem encourages collaboration and knowledge exchange among diverse alumni.
4. Supporting Social Causes: We give back through charitable drives, supporting those in need and making a positive impact.
5. Advocating for Education Reform: We strive for improved access to quality education, empowering the next generation.
6. Promoting Sustainable Development: Our focus on eco-friendly initiatives ensures a greener Bangladesh.
7. Fostering Global Collaboration: We create opportunities for global exposure and collaboration.

As you embark on your journey, remember our association stands with you. Together, let's embrace our mission and vision, enriching Bangladesh and empowering future generations. Congratulations, and let us begin this transformative journey together. Thank you.

AN OVERVIEW OF DAFFODIL POLYTECHNIC INSTITUTE (DPI)

INSTITUTE CODE: 50238, EIIN: 132226

গতানুগতিক ধারার বাইরে একটি আধুনিক পলিটেকনিক

Introduction:

Daffodil Polytechnic Institute is a private polytechnic Institute located in Dhaka, Bangladesh. The campus is located at Dhanmondi. Daffodil Polytechnic Institute which has been functioning since 2003 to develop professionals in different fields of education and training under Bangladesh Technical Education Board (BTEB). It is the first and only polytechnic institute of the country which has been awarded internationally. Daffodil Polytechnic is one of the top ranking polytechnics in Bangladesh. Daffodil Polytechnic Institute is the Best polytechnic institute in Dhaka, for Developing skilled Engineers in different sectors. Daffodil Polytechnic is a very well-known institute for science, engineering, art study, and also for professional and leadership development training programs.

History of DPI:

Daffodil Polytechnic Institute which has been functioning since 2003 to develop professional Human Resources in different fields of education and training. DPI has completely changed the traditional concept of polytechnic, technical & professional skill development training institutes in Bangladesh. Today DPI is a very well known institute for science, engineering, art study and also for professional and leadership development training programs. It is the first and only polytechnic institute of the country which has been awarded internationally. To run and lead the science & engineering programs BSDI has initiated a new associated operating wing Daffodil Polytechnic Institute. DPI as a part of daffodil will run the Technical Education Board Programs and DPI will provide Professional programs and Employability Skills Training programs in different disciplines. The long term strategic decision has been taken in a momentum considering the broader strategy to make the institute more competitive nationally and internationally.

Awards, Honors and Ranking:

Daffodil Polytechnic Institute has achieved several prestigious awards, recognizing its excellence in education and business leadership. The institute

received the 2014 Excellence in Business Leadership Award from The Bin, acknowledging its outstanding contributions to fostering entrepreneurial skills and cultivating future business leaders.

In 2012, Daffodil Polytechnic Institute was honored with the Education Leadership Award by the Indian Institute of Technology, Delhi, India, highlighting its commitment to providing high-quality education and shaping the minds of young scholars.

Additionally, the institute received the 2012 Outstanding Partner Award from the British Council, reflecting its strong collaboration and global engagement in the field of education.

Daffodil Polytechnic Institute's dedication to skill development is evident through its Skills Competition regional level Awards in both 2016 and 2017, recognizing its consistent achievements in equipping students with practical skills.

These notable achievements solidify Daffodil Polytechnic Institute's reputation as a distinguished educational institution, known for its excellence in education, business leadership, international collaboration, and skill development.

Faculty Members:

Daffodil Polytechnic Institute has 49 skilled and experienced teachers who impart technical and theoretical education to the students with their tireless efforts and experience. The main aim of these faculties is to make every student well-educated by applying modern teaching materials and strategies.

Officials and Supporting Staff:

Daffodil Polytechnic Institute relies on a committed team of 35 officials and 19 supporting staff members. These individuals fulfill crucial administrative roles and provide essential services that contribute to the institute's seamless functioning.

Departments:

- Department of Computer Science & Technology
- Department of Electrical Technology
- Department of Architecture Technology
- Department Architecture & Interior Design Technology.
- Department of Civil Technology
- Department of Telecommunication Technology
- Diploma in Medical Technology
- Department of Tourism & Hospitality Management
- Department of Yarn Manufacturing
- Department of Fabric Manufacturing
- Department of Wet Processing
- Department Apparel Manufacturing
- Department Garments Design & Pattern Making
- Department of Graphic Design Technology

One Student, One Laptop:

DIP's flagship project is "One Student One Laptop", which aims to provide each student with a laptop to foster a future generation with IT experience. To date, the Polytechnic has distributed over 50 laptops among its students.

International Academic Partnership:

Daffodil Polytechnic Institute takes pride in its strong international academic partnerships, collaborating with esteemed organizations from around the world. These partnerships include Child & Youth Finance International (CYFI) from the Netherlands, Spiral World from Malaysia, Confederation of Tourism and Hospitality from the UK, Vinsys IT Services (Pvt) Ltd. from India, British Council Bangladesh, WOW Factor from South Africa, and Spiral World from Malaysia, Student exchange program with Kalinga Institute of Industrial Technology (KIIT) from India.

Through these partnerships, Daffodil Polytechnic Institute fosters global engagement, facilitates knowledge exchange, and promotes international opportunities for students and faculty. These collaborations provide students with access to diverse perspectives, cross-cultural experiences, and a global network. The institute's affiliation with renowned organizations in various fields further enhances its academic programs, research initiatives, and industry relevance. By actively engaging in international academic partnerships, Daffodil Polytechnic Institute demonstrates its commitment to providing

a globally-focused education, preparing students to thrive in an interconnected world. These collaborations not only enrich the educational experience but also promote cultural understanding, innovation, and the development of global competencies among students and faculty members.

Clubs and Associations:

Daffodil Polytechnic Institute fosters a vibrant campus life through diverse clubs and associations for its students. The Kolorob Cultural Club showcases music, dance, and art, promoting cultural appreciation. The DPI Alumni Association connects past and present students, providing mentorship and career guidance. The Blood Donating Club encourages community service through blood donation drives and awareness campaigns. Daffodil Polytechnic Computer Club explores technology and programming with workshops and competitions. Daffodil Polytechnic Tourism Club focuses on the travel industry, organizing field trips and cultural exchange programs. The Language Club enhances cross-cultural communication and language skills. Daffodil Polytechnic Textile Club - DPTC keeps students updated on textile knowledge and helps them solve real-world textile issues beyond academics. Daffodil Polytechnic Civil Club (DPCC) ensures students stay current with civil engineering knowledge and assists them in addressing practical civil engineering challenges beyond their academic studies. These extracurricular activities enrich the educational experience and promote personal growth. Daffodil Polytechnic Architecture Club (DPAC) Exploring Boundless Designs and Sustainable Futures.

Mission:

We want to contribute to national economy through Developing Technically Skilled Human Resources Creating Entrepreneurs Ensuring competency among every successful student Serving the Industries through Developing Human Resources with required skills

Vision:

To be the recognized institute in the national and international arena for contributing in the development of highly skilled, employable graduates and to be known as the valuable resource for industry and society for developing human resources with required skills.

DAFFODIL POLYTECHNIC ALUMNI ASSOCIATION (DPAA)

Mission:

At the core of the Daffodil Polytechnic Institute Alumni Association's mission is a steadfast dedication to empowering our graduates to become influential leaders and change-makers in their professional pursuits. We are committed to fostering a dynamic ecosystem that not only prepares our members to thrive in the job market but also emphasizes their role as job creators and entrepreneurs, driving economic growth and societal transformation.

As an Alumni Association, we recognize that job creation is vital for sustainable development and social progress. Our mission includes nurturing an entrepreneurial spirit among our graduates, encouraging them to identify innovative business opportunities and venture into the world of entrepreneurship. Through specialized programs, mentorship, and access to funding resources, we aim to ignite a spark of innovation, empowering our members to become visionary entrepreneurs and pioneers of new industries.

We understand the immense power of a strong and diverse network in the professional world. Our mission involves fostering a vibrant community that transcends geographical boundaries, bringing together alumni from diverse backgrounds and industries. Through regular networking events, conferences, and virtual platforms, we aim to provide ample opportunities for our members to connect, collaborate, and co-create. By facilitating meaningful partnerships and knowledge-sharing, we strive to catalyze collaborative projects that lead to groundbreaking advancements and mutual growth.

Our mission revolves around the belief that learning is a lifelong journey. To equip our members with a competitive edge, we offer a wide array of skill-enhancement programs, workshops, and certified courses. By staying ahead of industry trends and technological advancements, we empower our alumni to remain at the forefront of their respective fields. Continuous development of skills and knowledge ensures that our members not only secure rewarding employment opportunities but also thrive in their chosen professions.

Vision:

The Daffodil Polytechnic Institute Alumni Association envisions a future where our graduates are not merely job seekers but visionary leaders who actively contribute to job creation and economic prosperity. We see a network of successful alumni who are not only excelling in their careers but also fostering an ecosystem that nurtures and supports budding entrepreneurs.

Our vision entails a vibrant ecosystem of alumni-led startups, businesses, and enterprises that drive innovation and generate employment opportunities. We strive to create an environment where graduates are encouraged to think beyond conventional employment and become job creators, actively contributing to the reduction of unemployment and socioeconomic development.

We envision our Alumni Association as a global network of influential professionals, united by a shared vision of positive impact and sustainable growth. Our alumni will act as catalysts for positive change in their communities, industries, and the world at large. By leveraging the

power of our network, we aim to address pressing challenges, advocate for social causes, and create a lasting legacy of positive influence.

In our vision, the Alumni Association serves as a hub for collaboration and knowledge exchange, transcending boundaries and fostering a culture of innovation. We envision a community where alumni from diverse fields come together to share insights, best practices, and expertise. By facilitating cross disciplinary interactions, we seek to spark transformative ideas and solutions that address the complex challenges of the modern world.

In conclusion, the Daffodil Polytechnic Institute Alumni Association is driven by a mission to empower our graduates to not only succeed individually but also become agents of change and prosperity. Through our focus on job creation, networking building, and continuous learning, we strive to create a powerful force for positive impact, shaping the future of industries, economies, and societies. Together, as a united alumni community, we will lead with purpose, integrity, and unwavering commitment to making a meaningful difference in the world.
